

October 26, 2022

Dear Freedom House Supporters,

Thank you to everyone who donated in September to help cover our payroll expenses. Since our last letter a business has stepped forward. They will match every dollar donated (October 26-December 15) up to \$100,000. Please consider end of the year giving.

Mission: We are a place of refuge for girls (0-18 years old) who have been exploited and we provide wholistic healing. Girls may come pregnant or with a child(ren). We serve up to 4 participants at a time.

With the Pieper Lewis case in Iowa and a push to pass the Safe Harbor Law in Iowa, we need to continue to prepare to serve the growing numbers of exploited and trafficked victims here in Iowa and across the country.

Our main expense is payroll, due to 24/7 coverage needed in the home. Payroll is currently around \$15,000 a month including taxes. If we raise \$50,000 plus the match, we will cover 6 months of payroll.

House Highlights: School scores improved, laughter in the kitchen, excitement of catching a fish, hard work of seeing the counselor, and the success of reaching a goal.

Please donate on our website or mail a check to: Freedom House, PO Box 815, Pella, IA 50219. All donations are tax-deductible and acknowledged at the end of the year with a donation receipt.

Blessings,
Jennifer Attema
